

Company Profile

Ten by Six Paper

The Home of Paper Solution

ABOUT US

Ten By Six Paper began its journey in 2017 and has been operating successfully ever since. We are a trusted paper importer, working with both local and multinational companies with a strong reputation.

We deal with renowned international paper brands such as Fedrogoni, Hansol, and Favini, along with high-quality Chinese and locally sourced papers. With a focus on bulk supply and consistent quality, we have built a solid reputation in the market.

Our commitment to reliability, quality products, and long-term partnerships has made us a dependable name in the paper industry.

Why with Us?

Customer Centricity

Customers are at the center of everything we do

Creativity

Embracing creativity for inspiring solutions

Partnership

We're not working for you we're working with you

Teamwork

Moving forward for a common goal

Innovation

Working with the future in mind

Honesty & Trust

Trust at helm with transparent work mentality

The mark of responsible forestry

Valid from: 18/01/2024
(DD/MM/YYYY)

Expiry date: 17/01/2029
(DD/MM/YYYY)

This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is FSC-certified (or FSC Controlled Wood where applicable). Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required FSC claim is clearly stated on sales and delivery documents. The scope of this certificate is considered accurate on the date of issuance. The current validity and scope, including the full list of products, shall be verified on <http://info.fsc.org>. The certificate shall remain the property of SCS, and this certificate and all copies or reproductions of this certificate shall be returned to SCS immediately upon request. Where a certificate covers more than one site, the covered products and processor activities are performed by the network of Participating Sites, and not necessarily by each of them.
